

SHOW WHEELS

The image features the text "SHOW WHEELS" in a highly stylized, outlined font. The letters are thick and have a bubbly, rounded appearance. The text is contained within a horizontal, elongated shape that resembles a stylized flame or a wing. The top edge of this shape is curved upwards, while the bottom edge is more complex, with several smaller, flame-like shapes extending downwards from the right side. The entire graphic is rendered in black outlines on a white background.
